CONFIRMATION OF LARGE ENTITY STATUS

Sir:

The present Reissue application was filed as a large entity application, and the filing fees paid as a large entity. The fees paid with the Amendment filed August 11, 2005 were authorized to our deposit account and specifically noted as "not small entity". The undersigned has noticed that the Office nonetheless charged a small entity fee to our deposit account in connection with the August 11, 2005 amendment. It is respectfully requested that the remainder of that fee i.e., an additional \$510.00 should now be charged to Deposit Account 15-0700. It is not believed that any additional charge is required because the undercharge appears to have been a PTO error.

It is further requested that the PTO updated its records for this Reissue application to clearly reflect that all charges past and future should be as a large entity.
